Details of the pre-application advice received

A pre-application consultation letter was issued to the local planning authority detailing the proposed works on 23/10/2025. At the time of submission no specific comments have been raised in regard to the proposal. Given the minor nature of the proposed works the applicant has sought to proceed with the prior approval application.

## Declaration

I/We hereby apply for Prior Approval: Development for electronic communications network as described in the questions answered, details provided, and the accompanying plans/drawings and additional information.

I/We confirm that, to the best of my/our knowledge, any facts stated are true and accurate and any opinions given are the genuine opinions of the person(s) giving them.

I/We also accept that, in accordance with the Planning Portal's terms and conditions:

- Once submitted, this information will be made available to the Local Planning Authority and, once validated by them, be published as part of a public register and on the authority's website;
- Our system will automatically generate and send you emails in regard to the submission of this application.

I / We agree to the outlined declaration

Signed
